If so:

Where?

JSdems fighting words. don't mess with my girl and don't tell my wife !like i always say: it ain't a service if you didn't ask for itlf you left an email address you might know.Hey guys (and gals)... I have setup my new firewire studio and I been tracking in Cubase LE that came with the program. Although the sonics seems ok and maybe it's just because I am new to Cubase... but is there something better out there for tracking that resembles Paris? I have dual monitors and there is no way to make use of this in Cubase... It creates a new version of the track each time.. but unli
