t half a second between rec and play) solves this most of the time.

It seems to be at it's worst when I'm in a hurry to send a rough mix - stop,
select last recorded, delete files, start again.

link to it at the
blog in the "Welcome Mike" thread. I also put a permanent link to it in
the "PARIS Links" sidebar for organization.

<http://ensoniqparis.blogspot.com/2008/03/ensoniq-paris-blog-proudly-welcomes.html>

Hope that helps...

Although my Paris is PC, my internet is on a Mac and the other file did not open.

Can you hint on that new development???
