>Dear Parisians:

This system is virtually in new condition, with almost no wear and tear.

It has been in storage and virtually unused except for a bit of beta testing a few years back.

EDS card, C-16, and MEC for sale, best offer gets it ASAP.

I am ready to move this system immediately.

Please e-mail me directly at

aaFerrara@comcast.net Well shucks, I knew if I looked I would find what I needed :)

This will be my 2nd card and my first chance to purchase extra plug ins.

Thanks for the Heads up Gary, I just ordered a Flexi-Pack from

Mr. P.

Regards,

El Miguel
