------=_NextPart_000_003C_01C6C513.0CBE81E0--The reason I'm so disappointed in Clinton is that during his whole
administration, I was wanting him to do the things he needed to
do.....and I watched in fcinated horror as he fucked up again and again..
Even an insignificant, regular old citizen like me could see what needed to
be done and he couldn't????.....and I was right!!!!. It just blows me
away. I wanted to believe that I was missing something and that this Rhoades
scholar superdude/great national hope knew more than I did. Well, he turned
out to be the bitggest dumbass we've ever elected and his oversights brought
us to 911.

listed under brand name Pelican, group *Foam Sets*

Your local pro camera store should have other leads or supply.

foams to be used as sound attenuation

- Fire -

You need to think about fire retardant spray or treatment, whether
on you walls or inside a closed box.
